## Peanut Cocoa Greek Yogurt Mousse

### INGREDIENTS

- |  |
|--|
| 1 cup Greek yogurt   |
| ¼ cup heavy cream or canned coconut milk                       |
| 2 tablespoons Nature's Earthly Choice Peanut Powder with Cocoa |
| 1 teaspoon pure vanilla extract                                |
| 1 tablespoon organic cane sugar                                |

### DIRECTIONS:

1. In a large bowl, combine the Greek yogurt and heavy cream. Beat with a hand mixer until soft peaks form, about 3 to 5 minutes.
2. Add the peanut powder, vanilla, and sugar. For a stronger peanut and cocoa flavor, add more powder. Beat until incorporated, another 3 to 5 minutes.
3. Chill for 2 to 3 hours. Before serving, top with peanut powder, cocoa powder, or chocolate shavings.
