Peanut Hot Chocolate

INGREDIENTS

1 ½ cup milk of choice

1/3 cup dark cup chocolate chips

2 to 3 tablespoons Nature's Earthly Choice™ Peanut Powder

DIRECTIONS:

1. In a small pot over low heat, warm the milk. Do not let it boil.
2. Add the chocolate chips, stirring continuously to prevent them from settling on the bottom of the pot.
3. Add the peanut powder and mix until dissolved. Pour into a mug and garnish with marshmallows, coconut whipped cream, melted chocolate, peanut butter, or any of your favorite toppings. Serve hot.
